# Words of Thanks & Praise

Dear Janelle,

Thank you so very much for putting together a wonderful training meeting for our team. I appreciate all of the time and effort you and your staff dedicated to make our event so successful. You made everything easy and stress free! Thank you again for everything. I look forward to working with you again in the future. With kind regards ~ Andrea F.

I work for the Office for People with Developmental Disabilities (OPWDD) from Central New York DDSO. We had our yearly Employee Recognition Event in the Cicero Room in their banquet facility right next to their hotel. First and foremost, let me state the names of the staff who helped us the day of the event and we will never forget: Sue (thank you for your help figuring out how to make delicious coffee from our archaic coffee pot, ; ) ), Carlos (who literally ran around and made all our dreams come true first thing in the morning), Stacey and Faye (our servers during the event who were both professional yet personable), and Christian (one of the two event coordinators who stayed with us the entire time to ensure that we had everything we needed and more). Janelle worked with us over the phone for weeks prior to the event ensuring that we had the correct menu to fit our budget. The location was perfect! It was easy to find and accessible for everyone that attended. We used this facility for our event last year, and found the food even better this year. Cannot say enough nice things about the staff who participated with this. The balance between professionalism and personable was amazing! We loved our time there and will definitely be back! ~ Linda H.

I had booked a birthday party for my little brother in your Oasis Room. Thank you for the use of your facility. Everybody loved your accommodations for us and thank you so much for your kindness, and courteous attitude of your staff, which made everything great! Thank you ~ Lexus C.

We recently hosted a party in your banquet room across the parking lot. We had parties/wedding/etc. at other venues in the past and I would like to say your location is by far the nicest and most accommodating experience. Your liaison for banquets, Janelle, was readily available to answer any of our questions and helped us plan exactly what we wanted within the budget limits we had. We also had out of town guests stay for a long weekend in your hotel and were super happy with their experience. It was comfortable and convenient to almost anything nearby while being away from heavy traffic. There was plenty of parking. We can't wait to plan our next event here again! I would most definitely recommend staying at this hotel AND using the banquet room for whatever event you are planning. ~ Destinyasa
